# FCPPL Steering Committee Meeting

## PART 1

- ❑ Results of the 2019 Call for Proposal

## PART 2

- ❑ SYSU request to join the FCPPL

**UNANIMOUSLY VALIDATED. Congratulations and welcome to our colleagues from SYSU!**

- ❑ LIA renewal and UMI project – moving forward...

**New tools at CNRS for international collaboration**

- ❑ All of them start with “IR” = International Research
- ❑ Several flavors of increasing commitment: IRN – IRP – IRL – IRC
- ❑ IRL can be with or without physical walls

**Decision to move forward and:**

- have new agreement setup within new framework before the end of this year
- involve more the French Univ. in FCPPL support

- ❑ Location of the 2020 FCPPL Workshop : **BORDEAUX**

**Thanks a lot to our colleagues from CENBG Bordeaux for proposing to organize it!**

- Beautiful city at 2 hrs from Paris in TGV and ...
- Wonderful wine! ☺

# Great thanks to all of you for having made this workshop a success!

- Record attendance (141) and number of projects funded (33) including 8 new ones!
- Presentations and discussions were both interesting and high level scientifically speaking
- Thanks to the speakers, the session conveners and the scientific committee, we had a world-class program!

**Great thanks to all of you for having made  
this workshop a success!**

**I would like to wholeheartedly thank  
the Local Organizing Committee at SJTU!**

**You did an outstanding job  
preparing, organizing and running the workshop  
Great organization!  
Great banquet!  
You really made us feel at home 😊**

**Please give them a huge round of applause!**

I hope that you enjoyed  
your stay in 上海  
as much as I did! 😊

Have a nice and safe trip back home ...  
and see you next year in Bordeaux!

**Long live our collaboration and friendship!**
