AliCPT-1 Control and Data system design

Saturday, 7 September 2019 11:00 (30 minutes)

The observation control of AliCPT-1, including hardware, software, user interface. The data acqusition, including data stream, data buffering, data transmission, data center.

Summary

The engineering process of AliCPT-1 contorl system, including hardware, software, and user control logic.

Primary author: Mr ZHANG YONGJIE, Yongjie (Institute of High Energy Physics, CAS)

Co-authors: Dr LIU, Congzhan (Department of Engineering Physics, Tsinghua University, Beijing);   Ms SHI JINGYAN, Jingyan (高能所); Mr LI, Siyu (Associate professor); Dr CHANG, Zhi (高能所)

Presenter: Mr ZHANG YONGJIE, Yongjie (Institute of High Energy Physics, CAS)

Session Classification: progress-2
