

第八届华大QCD讲习班 [The 8th Huada (CCNU) School on QCD]

Monday, 6 May 2019 - Friday, 10 May 2019

CCNU

Scientific Programme

We have invited three world experts on the physics of neutron stars

Prof. Gordon Baym (University of Illinois at Urbana-Champaign)

Prof. Sanjay Reddy (INT, University of Washington)

Prof. Yuichiro Sekiguchi (Toho University)

to give pedagogic lectures on static and dynamical phenomena of neutron stars as well as the properties dense matter in QCD.
