

# The study of screened electrostatic effect in nuclear decay

*Wednesday, 9 October 2019 18:00 (1 hour)*

- 1、 The theoretical models of proton emission and  $\alpha$  decay
- 2、 The Gamow-like model and screened electrostatic effect
- 3、 Our works
- 4、 Summary

## Abstract Type

Poster

**Primary author:** 李, 小华 (å)

**Presenter:** 李, 小华 (å)

**Session Classification:** S5: Poster 分会场

**Track Classification:** S5 分会场: Poster
